AUTHORITY: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for Office of Federal Contract Compliance Programs (OFCCP) construction recordkeeping and reporting requirements. The OFCCP administers three nondiscrimination and equal employment opportunity laws: Executive Order 11246, as amended; Rehabilitation Act of 1973, as amended section 503 (29 U.S.C. 793); and Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended section 4212 (38 U.S.C. 4212). These authorities prohibit employment discrimination and require covered Federal contractors to take affirmative action to ensure that equal employment opportunities are available

regardless of race, sex, color, national origin, religion, or status as an individual with a disability or protected veteran. Recordkeeping and reporting by Federal and Federally assisted construction contractors and subcontractors is necessary to substantiate their compliance with nondiscrimination and affirmative action contractual obligations.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1250-0001.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on December 31, 2014. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the Federal Register on September 2, 2014 (79 FR 52044).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the Federal Register. In order to

help ensure appropriate consideration, comments should mention OMB Control Number 1250-0001. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
